

HELL'S KITCHEN S22

HELL'S KITCHEN returns for another remarkable season when a new batch of ambitious chefs brave Chef Gordon Ramsay and his fiery command of the kitchen as he puts them through an intense culinary academy.

Throughout the season, the competitors will face a series of Ramsay's grueling challenges to prove they possess the right combination of ingredients to win a life-changing grand prize. The chefs will leave the pleasantries at the door as the pressure to impress Chef Ramsay will reach a boiling point. As the competition progresses, contestants will be eliminated until only two chefs are left to compete for the ultimate prize and fulfill their dreams of working in the culinary industry as the winner of Hell's Kitchen.
