COPS

hosted by former FOX Sports and
NASCAR reporter, Danielle Trotta, follows the
sentimental journey of families rebuilding and
resurrecting the car they once owned and
loved. Some of these cars will have to be rebuilt
from the ground up. Some will just need a little
love. In the end, the goal is to make an
everlasting dream come true and create a
loving memory that will transcend beyond the
engine and hearts of loved ones.

Mondays 9pm-10pm | Encore 11pm-
12am

COPS goes coast-to-coast and rides along
with the men and women of law enforcement,
capturing the wide-range of unpredictable
situations and colorful characters that they
face on the job every day.
