

NEXT LEVEL CHEF S3

Produced by Studio Ramsay Global and FOX Alternative Entertainment, NEXT LEVEL CHEF is the next evolution in cooking competitions, as Ramsay has designed a one-of-a-kind culinary gauntlet, set on an iconic stage like you've never seen. Over three stories high, each floor contains a stunningly different kitchen. From the glistening top floor to the challenging bottom of the basement, the ingredients match the environment, because Ramsay believes the true test of great chefs is not only what they can do in the best of circumstances, but what kind of magic they can create in the worst!
